Our Annual St. George's Caye Day Celebrations on the Caye!

The Village Council has once again planned some activities for St. George's Caye Day. At 10:00 am (caye time) there will be the Remembrance Ceremony at the Cemetery to remember our family and friends who

lived on, loved or impacted our community at St. George's Caye.

Last year we tried a slide show with an LCD projector but we didn't have much success because the image was difficult to see in the bright sunlight. This year we would like to try again using a laptop computer only. Any old pictures of the caye and family members and friends are welcome. Please email your pictures to stgeorgescayebelize@gmail.com so we can include them in the slide show. After the Annual Remembrance Ceremony in the Cemetery we move on to the Annual Sept 10th BBQ at the Sandbar. Usually by around 1:00

St. George's Caye Day Battle Regatta

Please Keep your Dogs under Control!

The Village Council has received several complaints recently regarding loose dogs being aggressive and even biting people on the island! If you have any dogs on the island, please keep them under control. We recommend that you keep them in a fenced yard or tied in a secure area. In public places please make sure your dogs are under your direct control or on a leash. No one likes the feeling when an aggressive dog is on the loose so please have consideration for others on the island!
